Wait a minute, Mr. President, I move we reconsider our action on LB811 to place on General File notwithstanding the action of the Committee. Signed, Senator Dworak.

PRESIDENT: We now go to General File and were discussing budget bills this morning. We commence with LB1004. Mr. Clerk.

CLERK: Mr. President LB1004 was considered by the Legislature yesterday and there is pending a motion by Senator Rumery to insert a new section to read (read motion) The motion was left pending from yesterday in consideration of the bill.

PRESIDENT: Chair recognizes Senator Rumery.

SENATOR RUMERY: Mr. President, members of the Legislature. The Department of Administrative Services is working on this detailed plan that several of the Senators have said that we need. I had talked to Senator Marvel about this and he said that he was going to have to leave, I don't know if he has gone yet or not, and I asked if he would mind holding this over for a day and also tomorrow is the day that we unbracket 864, or 834, and if there is no other objections maybe we could sit down and work this out. Some say that this is not the vehicle to obtain this bill, and you can rest assured that constituents in District 42 will want to do this correctly. I wonder if we could have this one lay over until tomorrow and in the meantime get some kind of conference to resolve the situation.

PRESIDENT: Senator Marsh, do you object?

SENATOR MARSH: Yes.
